

NetDag Whitepaper (Draft)

This is a living document. It outlines NetDag's vision, tokenomics and roadmap. The final version will expand to include detailed technical, economic and governance models.

Core Focus (summary):

- Risk Management (DAG + Bonding Curve) with 25% presale reserve
- Shopper rewards & decentralized VPN (dVPN)
- AI Neuron Layer, Cross-Chain Lending, Gaming & Micropayments, Charity

Contents (Draft)

1. Problem & Philosophy
